7th February 2017.

Spectrum Painting Contractors
Attention: Mr Jason Lewis.

Professional letter of recommendation – Spectrum Paint.

During the months of October to December 2016, Spectrum Paint, led by Jason Lewis's team were responsible for the external redecoration of Key Largo.

The job specification included surface preparation, cracks and waterproofing and painting of the Complex.

We were very impressed with the workmanship we received from Spectrum and would recommend them for similar work.

Kind regards

Helen Skinner – Chairperson Key Largo Body Corporate.
