To whom it may concern:

This letter serves to confirm that Spectrum Painters undertook the painting of our showroom and warehouse during May and June 2018. All exterior walls were painted (building is approximately 2000 sqm), the roof high pressure cleaned, and part of the interior showroom walls were painted.

All work was carried out in a professional and cost-effective manner and staff were very polite and easy to work with.

We would have no hesitation in engaging their services in the future when the need arises.

Yours sincerely
