Dear Mr Lewis

BELLAMONT GARDENS UMDLOTI BEACH – PAINTING

On behalf of the trustees, owners and residents of the Bellamont Gardens Sectional Scheme in Umdloti Beach, I thank you for a job well done in the repainting of 70 duplex units and the communal buildings on the property, over the past few months.

Apart from reports of a few minor snags that were very quickly attended to, owners had nothing to complain about and the general feedback was very positive and complimentary as you will note from comments from residents forwarded to you separately.

We commend your capable supervisor for his friendly efficiency and your painting teams for completing the work in an organised and disciplined manner with minimal disruption to residents throughout the process.

We have no hesitation in recommending your company's services.

Yours sincerely

Hilary Douglas
Managing Agent
