RE: LETTER OF RECOMMENDATION : SPECTRUM PAINTERS

Blue Horizons Body Corporate undertook their external painting and redecorating project beginning March 2017. Spectrum Painters were elected by the owners for their competitive pricing and quote using the Dulux product and specifications.

The painting project went extremely well. Spectrum Painters are a truly professional team and were a pleasure to deal with. The preparation, repairs and painting were carried out and supervised by qualified and competent staff. Regular progress reports were provided to keep the trustees and body corporate informed.

The trustees and owners are very happy with the completed project and wish to note there were no items for the snags list! The building looks awesome.

The Body Corporate has no hesitation in recommending Spectrum Painters for the quality of workmanship and excellent service they provide.

Yours sincerely,

JENNY WEBB
