Dear Jason,

The trustees and owners at Broadwold would like to thank you for the successful execution of the complex repainting project.

Your team conducted themselves in a professional manner and despite the nature of the work, caused no disturbance to the occupants of our units. The interaction you have with your suppliers and the supporting documentation generated as a result of this interaction made it easy for us to ensure that the unit owners knew that their money was well spent.

Please feel free to use us as a reference for any future work. We will gladly recommend you.

Sincerely,

Damon Danielz
