

REFERENCE LETTER: SPECTRUM PROFESSIONAL PAINTING CONTRACTORS

To whom it may concern

This letter is to confirm that Spectrum Professional Painting Contractors are an approved supplier for the Independent Institute of Education (Advtech Group). They were appointed to paint various areas at Crawford College La Lucia.

They worked well with the school and worked around the children. The project was complete within the project period.

We highly recommend them for any future jobs and appointments.

Kind Regards

Morongwe Mathabathe
