RE: LETTER OF RECOMMENDATION LAWMUIR TRADING CC. T/A SPECTRUM

Spectrum Painting has on many occasions been our chosen Contractor. The Team, led by Jason, adapt well to the diversity of our projects, are highly motivated and well organized individuals.

Projects are completed in a timeously fashion and all snags are addressed with no issues. The open lines of communication and weekly documentation from both Spectrum & the Paint Supplier, make it easy to track the progress of the job.

I look forward to working with Spectrum in the future and I give high reviews in all areas.

Yours faithfully
