To Whom It May Concern

Subject: Letter of Recommendation for Spectrum Painting

Dear Jason,

I want to take this opportunity to thank you and your team for the completed work at Riverdale Industrial Office Park.

Spectrum Painting was referred to us by our Managing Agent, Wakefields. From start to finish Spectrum worked efficiently, professionally, safely and within the Conditions of Employment Act.

Any issues that arose on site were quickly addressed and dealt with in an acceptable manner. Weekly progress reports were presented to the Body Corporate ensuring that the project was completed timeously and as per quotation.

All snags were speedily attended to resulting in a professionally completed contract to the satisfaction of all parties concerned.

I will gladly recommend Spectrum painters for future contracts and will reuse them should the need arise in the future. Kind Regards

A handwritten signature in black ink, appearing to read "B Titmuss".

Bruce Titmuss
