RE: SPECTRUM PROFESSIONAL PAINTING CONTRACTORS – CODE OF ETHICS

This letter serves to confirm that Trafalgar Property Management has had the pleasure of working with Spectrum Professional Painting Contractors on numerous projects, of which the latest for the year ending 2017 was Kalbarri, Lancia Court and Doc Point.

We are excited to commence 2018 with new projects for Renaissance and Forest Hill, as well as pending projects on the horizon.

The team have always operated in a professional manner, with competitive costings and friendly, welcoming staff. The workmanship is always carried out in a timeous manner.

We would not hesitate to recommend their services.
