Spectrum Professional Painting Contractors  
24 Ennisdale Road  
Durban North  
4001

**Recommendation Letter – Spectrum Paint**

Dear Sir/ Madam

Spectrum paint, led by Jason Lewis's team, was responsible for the external redecoration of the Oceanic Hotel.

The job specifications included the surface preparation of the building which consisted of removing all loose and flaking paints; wire brushing, sandpapering, scrapping and cleaning of the building.

Jason's team went the extra mile and even assisted with water proofing difficult windows, and at times, unreachable areas.

The Spectrum team delivered a professional service and I will not hesitate to recommend them for similar work.

Kind Regards

Ian Moyo

General Manager
